# Welcome to Ticker

Thanks for choosing **us** – **we**’re glad to have **you**.

**Your policy** wording is where **you**’ll find information about what’s covered by **your** insurance, how to make a claim and how to get in touch if **you** need anything. As **you** know, Ticker pay-per-mile insurance works with a **mile tracker**. **You** get it through the post and it plugs in to **your** vehicle’s Onboard Diagnostics (OBD) port.

The Ticker **mile tracker** sends **us** **mileage data**, which lets **you** track **your** journeys and costs in the Ticker app. **You**’ll also find **your policy** documents, customer service contacts and handy tools in the app, too.

There’s more information in the app and at [ticker.co.uk](https://www.ticker.co.uk).

## If you have a crash

**Your** app has a button on the dashboard that says ‘Had a crash’. This will put **you** straight through to **our** claims team so **you** don’t have to search for the number.

If **you** need the number to report an incident or make a claim, it’s **0330 053 3727**. **We**’ll help **you** with that 24 hours a day, 365 days a year.

**You** can also send an email about **your** claim at [tickerclaims@carpentersgroup.co.uk](mailto:tickerclaims@carpentersgroup.co.uk) or post something to:  
Ticker Claims, C/O Carpenters Insurance Services Limited, Priory House, Monks Ferry, Birkenhead, Merseyside, CH41 5LH

## Finding your way around your policy wording:

Throughout **your policy** wording, there are certain words in bold. **You** can find definitions for these words in **Definitions of words in your policy wording section**.

Keeping your policy up to date

The first thing to do once **you**'ve downloaded the Ticker app is check **your policy documents**. Any wrong details can invalidate **your policy**, so it's important **you** read everything.

**Your policy** and the cost of **your** insurance are based on the information **you**'ve given **us** and the **miles you** drive. It's very important **you** keep this up-to-date.

**We** have to agree to provide cover for any changes **you** want to make to **your** insurance. Some changes might not be possible or mean **us** setting different terms, extra costs or **fees**. A change could cost more than **you** expected so if **you** do want to make a change, get in touch to chat about it before making a decision.

You must tell us immediately if:

- **You** or (anyone else on **your policy**) are involved in an incident, no matter how minor, whose fault it was or whether **you**'d like to claim
- **You** change **your** address
- **You** (or a named driver) change **your** job
- **You** (or a named driver) pass **your** driving test and move from a provisional to a full driving licence
- **Your** (or a named driver's) licence is revoked, temporarily or permanently
- **You** will exceed **your** declared **mileage** limit
- The status of **your** (or a named driver's) licence changes in any other way

Please let us know about any of these before they happen:

- **You** want to change the car on **your policy**
- **You** want to change what **you** use **your car** for
- **You** want to add other drivers
- **You** want to alter or modify **your car** from the manufacturer's standard spec. This includes but is not limited to:
  - Changes to the bodywork
  - Changes to suspension or brakes
  - Cosmetic changes like alloy wheels
  - Anything affecting performance, like changes to the engine management or exhaust systems
  - Changes to the audio/entertainment system

Modifications: **you** must tell **us** about any changes **you** want to make to **your car**. Not letting **us** know could mean **us** cancelling **your policy** from its start date, adding to **your premium** or rejecting / not paying a claim in full.

**Your policy** doesn't cover any non-standard parts (modifications). If **you** make a claim for loss or damage to **your car**, **we**'ll only pay for replacing original parts in the manufacturer spec.

Make sure **you** get in touch to talk about any update **you** need to make to **your** insurance, other than things **you** can handle **yourself** in the Ticker app. It's always best to chat to **us** in the app or at [ticker.co.uk](https://www.ticker.co.uk) to and check.

When **you** renew **your policy**, it's **your** responsibility to tell **us** about any changes or incidents. **You**'ll need to tell **us** about anything that's happened in the last 12 months including any convictions.

## Legal statements

This **policy** is a contract between **you** and **us**. **We**’re named on **your** current **Certificate of Motor Insurance**. Under the Contracts (Right of Third Parties) Act 1999, no other **third party** has any additional rights under this **policy**.

The information **you** gave to **us** forms part of this contract and is shown on **your Statement of insurance**. **You** enter into a contract with **us** when **you** agree to take out a **policy** on the terms and conditions offered and pay the **premium**. If **you**’ve paid, or have agreed to pay, the appropriate price, **we** will provide insurance under the terms set out in this **policy** during the **period of cover**.

This contract will be governed by and interpreted in accordance with English law and **you** can bring legal proceedings in respect of this product in the English courts. **We**’ll communicate in English throughout the course of this contract.

## How to make a claim

**We** hope **you** never have to make a claim but if **you** do, **we**’ll make the process as hassle-free as possible.

## What to do if you’re involved in an incident

1. Stop.
2. If anyone is hurt or someone involved in the incident leaves the scene, call 999.
3. Don’t admit blame or offer to pay for damage because it could affect a claim down the line. If someone else admits blame, make sure to tell **us**.
4. When **you**’re sure everyone’s safe, get the name, address, phone number and car make, model, reg from any other drivers and give them **your** details. If there are any witnesses, get **their** details, too.
5. Tap the button on **your** Ticker app that says ‘Had a crash’ – that’ll get **you** straight through to **our** 24/7 clams line without **you** having to find the number. That’s **0330 053 3727** if **you**’d like to add it to **your** contacts instead. If **you**’re outside the UK, call **+44330 053 3727**. **You** must tell **us** about any incident even if **you** don’t want to make a claim.
6. If the police come to the scene, ask for a crime reference number.

## Theft, loss or criminal damage

If **your car** is stolen or damaged as a result of crime, or if anything inside is stolen, report it to the police and get a crime reference number.

Call **us** as soon as possible, and definitely within 24 hours. It helps **you**, because the details are fresh in **your** mind, and it helps **us** make sure any claim goes smoothly.

## Windscreen and windows claims

Windscreen damage is included in **your** cover. The windscreen claim number is **0330 053 3727**. **We**’re here to help with any claim 24/7, 365 days a year.

In the event of a claim, **we** will ask **you** to use one of **our nominated repairers**.

## Features of our nominated repairers

- The repairs will be guaranteed for five years
- **You** don’t need to get any estimates so the repairs can begin as soon as **we** have authorised them
- The repairer can arrange to collect and return **your car**
- **We**’ll pay the bill. All **you** need to do is pay **your** agreed **excess** to the repairer before the car is delivered back to **you**
- **You**’ll get a courtesy car while **your car** is being repaired (see ‘About the courtesy car service’ for conditions)
- If **you** use a different repairer, an additional £500 **excess** will be applied

Our nominated repairer may need to use parts or accessories that aren’t made by the manufacturer of your car.

## About the courtesy car service

- **You** won’t be eligible for a courtesy car if **your car** is stolen or considered to be a **total loss** (write-off)
- The courtesy car service is only available if **you** use **our nominated repairer**
- The courtesy car will be provided by **our nominated repairer**
- The service is only available while **your car** is being repaired
- The courtesy car will usually be a group A vehicle – around the size of a Ford KA
- If **your car** is electric, **we** cannot guarantee **you** will be provided with an electric courtesy car.
- The courtesy car will be automatically insured, at no additional cost, under this **policy**
- This cover is subject to **our** terms and conditions and normal **policy** terms will apply
- **You**’ll be responsible for the courtesy vehicle and for any charges or fines incurred during the time **you** use it, including fuel costs, parking fines, motoring offences, fixed penalties and any congestion or toll charges
- Courtesy car subject to availability

## Choosing another repairer

**You** can take **your** car to a repairer of **your** choice but it means **you** won’t get the benefits available with **our nominated repairer**. **You**’ll also need to send **us** a repair estimate to approve before the work can start, which may delay **your** claim and repairs to **your car**. If **you** use a different repairer, an additional £500 **excess** will be applied.

## When you’re claiming with this policy

**You** (and anyone else covered by the **policy**) must not admit fault or offer promises, payment or compensation unless **we**’ve agreed it in writing.

When managing a claim, **we**’ll instruct the solicitors of **our** choice to act for **you** in any legal proceedings. If **we** feel it’s appropriate, **we** can accept liability for the costs covered under this **policy**, on behalf of **you** or anyone else protected by it. **We** can do this before or after legal proceedings start.

## Information about your contract of insurance

**Your** contract is with **us**, the insurer named on **your Certificate of Motor Insurance** and **your policy schedule**, for providing **your** insurance. **We**’ll charge **you** a **premium** for this. **Our** terms and conditions are set out in this document.

It’s really important to **us** that **you** understand **your** insurance and feel happy with what **you**’ve bought. A big part of that is going through **your policy documents** carefully.

## Four documents make up your policy:

1. This **Policy wording**, which explains how **we** manage **your** insurance and tells **you** what **you**’re covered for.
2. **Your Statement of insurance** shows all the information **you** gave **us**, which **we** used to work out **your premium** and cover.
3. **Your Policy schedule** contains details about **you**, **your** car and the cover provided. It also shows **you** which sections, **excesses** and **endorsements** apply to **you**.
4. **Your Certificate of Motor Insurance** gives details of who can drive **your** car, what it can be used for and the **period of cover**.

All these **documents** are in **your** app and need a careful read. It’s particularly important that **you** check **your Statement of insurance** to make sure **you** have the right level of cover for what **you** need and all **your** details are right.

**We** may ask for more information and **documents** from **you** as part of **our policy** validation (see general condition 9). **We**’ll give **you** plenty of notice if **we** need anything.

Your legal obligations

It's an offence under the **Road Traffic Act** to make a false statement or to withhold information in order to get motor insurance.

Under the Consumer Insurance (Disclosure and Representation) Act 2012, when **you** apply for insurance **you** have a duty to take reasonable care to answer all questions as fully and as accurately as possible.

If **you** don't take reasonable care to answer all questions fully and accurately or if **you** deliberately make a false statement, there could be serious consequences.

For example: under some circumstances, **we**'re entitled to treat **your** insurance as invalid, which affects everyone on the **policy**. This could also mean that some or all of a claim may not be paid and **you** may have to make a payment to a **third party** (like another driver or person involved in an incident) that's not covered by this insurance.

If the details on **your documents** are wrong, **you** can tap to chat, call or email in **your** Ticker app or start a web chat at [ticker.co.uk](https://ticker.co.uk). **You** can make some changes yourself in the app, like updating **your mileage**.

### Damage to your car by a member of the motor trade

If the equipment wasn't originally part of the car, the most we'll pay is £300 for audio visual equipment and £250 for electronic navigation.

### Child seats

If **you** have a child's car seat or booster seat fitted in **your** car and **you** make a claim under sections 1 or 2 of this **policy**, **we'll** pay for the cost of a replacement even if it doesn't look damaged. This will be a similar make and model, up to the value of £150 per incident.

### Travel and accommodation expenses

**We'll** pay up to £100 for each person (up to a maximum of £300) if **you** can't continue **your** journey because of loss or damage to **your** car under sections 1 or 2 of this **policy**.

**You** can use this for:

If **your** claim is a **total loss** (write-off) and **you** pay by instalments, **we** may take all outstanding payments from the claims settlement or ask **you** to pay the outstanding amount (see [cancellations section](#) for more details)

- If **we** don't accept **your** claim, **you** may have to pay any costs already incurred, including (but not limited to) engineers' fees, car recovery and storage charges
- The VAT element of any claim, if **you're** registered for VAT

### If we can't repair your car

If **your car** can't be repaired or the cost of repairs will be far more than the value of **your car**, **we'll** declare it a **total loss** (write-off).

**We** may put the car in storage until **your** claim is settled and **we're** entitled to decide what happens to it after the claim is settled.

If **your** claim is settled as a **total loss** (write-off) and **you** pay by instalments, **we** may take all outstanding payments from the claims settlement or ask **you** to pay the outstanding amount (see the [cancellations section](#) for more details)

If **your car** is declared a **total loss** and **you've** already paid the **premium** in full, **you** won't get a refund even if the **policy** is later cancelled. This may not apply if **we** recover all losses from a **third party**. In this case, **we'll** pass that refund on to **you**.

If **your** claim is a **total loss** and **you** don't replace **your car** within 30 days of getting the settlement payment, **we'll** cancel **your policy**. All the information above about instalments and refunds will still apply.

### New car replacement

If **your** car is less than one year old and **you're** the first and only registered owner, **we'll** replace it with one of the same make and model if:

- It's been stolen and not recovered or;
- It's suffered damage covered by the **policy** and **we** estimate that the cost of repairing it will be more than 60% of the current UK list price (including taxes)

**We** can only do this if a replacement car is in current production, available in the UK and agreed to by anyone else on the **policy**.

If a suitable replacement car isn't available, **we'll**:

- Pay **you** the price **you** paid for **your car** (including any optional extras fitted by the manufacturer when new), including taxes at the time of loss or;
- Pay **you** the manufacturer's latest list price (including taxes)

**We'll** pay whichever is less of the above and deduct any **excess** that apply.

If **we** settle a claim under this clause, the lost or damaged car becomes **our** property and **you** must send **us** the registration document.

Please note that 'nearly new' and ex-demonstration cars don't qualify for replacement under this section.

### Ownership

If **your** claim is settled as a **total loss** and **your car** belongs to someone else, or **you've** bought **your car** by hire purchase contract, **we'll** give any payment to that person or company first, and then pay any remaining money to **you**. If **your car** is on lease or contract hire, **we'll** pay the lease company either the **market value** of the **car** or the amount needed to settle the contract, whichever is less. If **your** car is electric, **your** battery is leased and **your** claim is settled as a **total loss**, **we'll** give any payment to that person or lease company.

## Section 3

### Legal responsibility to others

#### What's covered

After any incident involving **your car**, **we'll** pay all sums **you're** legally responsible for:

- Up to £20,000,000 for damage to someone else's property, plus up to £5,000,000 for legal costs and expenses

This cover also applies to accidents involving a **trailer**, caravan or broken-down vehicle being towed (as long as **your** driving licence allows **you** do so).

#### Other people who are covered

**Your policy** also covers the following people if they cause any loss or injury to a **third party**:

- Anyone named as a driver on **your Certificate of Motor Insurance**, as long as they have **your** permission to drive. They must have a valid driving licence and not be disqualified from driving or breaking the conditions of their driving licence or any relevant law.
- Anyone using (but not driving) **your car**, with **your** permission.
- Anyone getting into, or out of, **your car**.
- The legal representative of any person who has died, who was entitled to the cover provided by this section.

#### Legal costs

Following a claim covered by this **policy** (and if **we** agree it's in **our** interest to do so, which is entirely **our** decision), **we'll** pay reasonable legal costs and expenses for:

- Solicitors' fees for representing anyone insured at a coroner's inquest, fatal accident inquiry or court.
- Reasonable legal services, which **we'll** arrange, to defend a charge of manslaughter or causing death by dangerous or reckless driving.
- Any other legal costs and expenses if agreed in writing beforehand. **You'll** need to get **our** consent in writing before agreeing these sorts of legal fees and costs.

#### Emergency medical treatment

**We** will pay for emergency medical treatment required under the **Road Traffic Act**, following an accident in **your car**. If this is the only payment **we** make, it won't affect **your** No Claims Discount.

#### Driving other cars

**You're only covered to drive other vehicles if your Certificate of Motor Insurance says so.**

In that case, you're covered to drive another privately-owned car, as long as:

- The car isn't a hire, courtesy or rental car

- The car isn't under a hire purchase or lease agreement for **you** or **your partner**
- The car hasn't been lent to **you** by **your** employer or business partner
- The owner has given **you** permission to drive the **car**
- There's a valid insurance **policy** in force for the car **you're** using
- **You're** not covered by any other insurance **policy** to drive it
- **You** hold a valid driving licence and aren't disqualified or breaking the conditions of **your** driving licence or any relevant law
- The car hasn't been seized or confiscated by or on behalf of any government or public authority
- **You** still have **your** car and it hasn't been stolen, damaged beyond repair, or declared a **total loss** (write-off)
- The car is registered in Great Britain or Northern Ireland
- **You're** not test-driving the car
- **You're** driving in Great Britain, Northern Ireland, the Isle of Man or the Channel Islands

**This section provides third-party cover only, so any loss or damage to the car you're driving isn't included.**

#### What's not covered under Section 3

- Anyone who has any other insurance covering the same liability
- Death or injury to anyone while they're working with, or for, the driver of the car except as required by the **Road Traffic Act**

- Any damage to personal property owned by the person driving **your car** or goods held in trust at the time of the incident
- Any death, injury, illness, damage or loss arising from a deliberate act by **you** or any driver insured to drive **your car**, except as required under the **Road Traffic Act**
- Loss of, or damage to, any **trailer**, caravan or car (or their contents) while being towed by or attached to any car covered by this section
- Loss or damage to property of more than £20,000,000 for any one incident or series of incidents and legal costs and expenses over £5,000,000
- Anything excluded by the general exceptions listed later in this document

However, if **we** pay any claim in line these acts, **we'll** be entitled to require that **you**, or the person who made the claim, repay any money owed to **us**.

## Section 4

If **you** or **your partner** are accidentally injured while travelling in or getting in/out of **your car** and the injury is the sole cause of:

- Death
- Permanent loss of sight in one or both eyes
- Total physical loss of a limb at or above the ankle or wrist

**We** will pay the injured person or their legal representative up to £5,000 when the death or disablement happens within 90 days of the incident.

#### What's not covered under section 4

- Death or injury resulting from suicide or attempted suicide
- Death or injury to anyone not wearing a seat belt as required by law
- Death or injury because the driver was unfit to drive due to alcohol, drugs or other substances, whether prescribed or otherwise
- Death or injury of any person over 75 years of age
- Any disablement, whether temporary, permanent, partial or total, except those listed above

- Anything excluded by the general exceptions listed later in this document

## Section 5

#### Medical expenses

If **you**, or anyone in **your car**, is injured in an accident, **we'll** pay medical expenses up £200 for each injured person.

## Section 6

### Using your car at home and abroad

**Your policy** covers **your** car for use in Great Britain, Northern Ireland, the Isle of Man and the Channel Islands. It includes travel by sea, air or land within and between these places.

#### Compulsory minimum cover outside the UK

This **policy** provides the minimum cover required to allow **you** (or any named driver on the **Certificate of Motor Insurance**) to drive or use **your** car in any country in the European Union (EU).

This also applies to any other country that agrees to follow EU directives on motor insurance and is approved by the Commission of the European Union.

#### What's covered

As long as **your** trip is for pleasure and not commuting or business, **you're** automatically covered for trips of up to 30 days in a **policy** year in:

- Any country that's a member of the EU
- Iceland, Norway, Switzerland, Liechtenstein and Andorra

The level of cover **you** have is on **your Policy schedule**. This cover only applies if **your** permanent home is in the UK and **your** visit to these countries is temporary.

If **your** trip will be more than 30 days, only the minimum cover required by the relevant law will apply after that point. Full cover applies while **your** car is being transported by air, sea or rail between any of these countries, including loading and unloading, subject to the limitations above. This **policy** only covers events in countries listed in this section.

**What’s not covered**

Driving abroad for business or any other reason other than social, domestic or pleasure.

**How your claims are settled**

**We**’ll settle claims in the same way described in sections 1 and 2. If **we** have to pay for **your** car to be delivered to **you** after repairs, **we**’ll only do so while you’re in the country where the loss or damage occurred. **We** won’t pay for **your** car to be delivered to **your** permanent address in the UK.

**What to take if you drive aboard**

Have a copy of **your Certificate of Motor Insurance** and this **policy** wording with **you**. **You** don’t need a green card to travel in the EU and the countries listed above.

Section 7

**Personal belongings**

**What’s covered**

**We**’ll pay up to £300 for any one claim for personal belongings in **your car**, to **you** or the owner of the items, if they’re lost or damaged due to accident, fire, theft or attempted theft.

**What's not covered**

- Money, stamps, jewellery, watches, tickets, credit or debit cards, vouchers, **documents** or securities (such as share and premium bond certificates)
- Laptops, mobile phones, tablet computers or electronic navigational equipment
- Goods, samples or tools carried in connection with any trade or business
- Property insured under any other insurance **policy**
- Theft or attempted theft of personal belongings not kept out of sight in the glove box or locked within a compartment
- Theft or attempted theft if the car was left unlocked while unoccupied or unattended
- Theft or attempted theft if the car’s windows, sunroof or roof were left open while unoccupied and unattended
- Anything excluded by the general exceptions listed later in this document

**We** may require documentary evidence to confirm **your** claim and/or may ask to see the damaged item.

**Wear and tear or depreciation will be considered and deducted from the original cost of the item.**

Section 8

**Windscreen damage**

**What's covered**

**We**’ll pay to replace or repair broken glass in the windscreen or windows of **your car** and repair any scratching to the bodywork caused by the broken glass. **Your policy** also covers windscreen recalibration as well as repair or replacement.

Making a claim under this section won’t affect **your** No Claims Discount, as long as **you**’re not also claiming for any other loss or damage to **your car**.

**Our nominated repairer** may need to use parts or accessories that aren’t made by the manufacturer of **your** car. These may be recycled parts of a similar kind and quality to what needs replacing.

**What's not covered under section 8**

- Any other glass parts of **your car** (where the roof glass is a separate unit to the windscreen), including sunroofs, panoramic roofs

- or panoramic sunroofs are covered under section 1
- Replacement of the hood/roof structure of a convertible or cabriolet
- Any windscreens or windows not made of glass
- A repair or replacement cost that’s more than the **market value** of **your car** at the time of loss (minus any **excess**)

Additional charges or limited cover may apply if **you** don’t use **our nominated repairer**.

**You**’ll pay an **excess** for windscreen, windows and glass repairs or replacement – check **your Policy schedule** and **Certificate of Motor Insurance** for more details

Section 9

**No Claims Discount (NCD) and protection**

If **you** don’t make a claim under **your policy** during the **period of cover**, when **you** renew the **policy**, **you**’ll get a discount included in the price **you** pay. There is a maximum on the number of years No Claims Discount that can be earned.

**You** can’t transfer **your** No Claims Discount to someone else or use it on more than one car at the same time.

If **you** do make a non-recoverable claim (for example, a claim where **we** couldn’t recover the loss), **your** level of No Claims Discount will be reduced at **your** next renewal.

If **you**’re eligible, **you** can choose to pay an additional **premium** at the start or renewal of **your policy**, to protect or guarantee **your** No Claims Discount. A protected No Claims Discount lets **you** to make two claims before **your** entitlement is reduced.

Here’s how that works:

Number of years’ NCD declared	Without NCD protection			With NCD protection		
	1 claim	2 claims	3 claims	1 claim	2 claims	3 claims
1 year	0 NCD	0 NCD	0 NCD	No Claims Discount Protection is not available on less than 4 years’ NCD		
2 years	0 NCD	0 NCD	0 NCD			
3 years	1 year	0 NCD	0 NCD			
4 years	2 years	0 NCD	0 NCD	4 years	4 years	2 years
5 years or more	3 years	1 year	0 NCD	5 years or more	5 years or more	3 years

If **you**’ve chosen to protect **your** No Claims Discount, this will be shown on **your Policy schedule**. Please note: this doesn’t guarantee **your premium** will remain the same.

**Average No Claims Discount you'll earn:**

Number of years of No Claims Discount	Average NCD
1 year’s NCD	30%
2 years’ NCD	40%
3 years’ NCD	45%
4 years’ NCD	47%
5 years’ or more NCD	50%

**At renewal**

If a claim is still outstanding at the renewal date, **we** will issue a renewal offer with the No Claims Discount reduced. Once the claim has been settled in **your** favour and all outstanding money repaid, and as long as it's not a non-recoverable claim, **we'll** restore **your** No Claims Discount and refund any extra **premium you** may have paid.

Even with **your** No Claims Discount restored, **your premium** may still increase following a claim.

Section 10

**Uninsured driver cover**

If **you're** involved in an accident that isn't **your** fault and the driver of the vehicle that hits **you** doesn't have motor insurance:

- **You** won't lose **your** No Claims Discount
- **You** won't have to pay any **excess/es**

If it's safe for **you**, try to get the make, model and registration of the vehicle that caused the damage. If **you** know the driver's name and address, even better.

When **you** make a claim, **you** may initially have to pay **your excess/es**. If investigations are still going on when **your** renewal is due, **you** may lose **your** No Claims Discount temporarily, as explained above. Once **we** have confirmed the accident was the fault of an identified uninsured driver, **we** will refund **your excess**, restore **your** No Claims Discount and refund any extra **premium you've** paid.

**General exceptions**

**Your policy** doesn't cover the following (these apply to all sections):

**1. Unapproved use of your car**

**You're** not covered for any injury, loss, damage or liability that takes place while **your car** is being:

- Driven by, or in the charge of, someone not shown on **your Certificate of Motor Insurance**
- Driven by someone who doesn't have a valid driving licence, or is disqualified from holding or obtaining such a licence or breaking the conditions of their driving licence and any relevant law
- Used for any purpose not allowed on **your Certificate of Motor Insurance**
- Driven abroad for any reason other than social, domestic or pleasure
- Used for hire or reward or for carrying passengers for profit
- Used to tow a caravan, **trailer** or any other car for payment or reward
- Used to tow more than one caravan, **trailer** or car at any one time
- Used to tow a **trailer** that is unsafe or has an insecure load
- Driven with a load or a number of passengers that is unsafe or greater than the manufacturer's specifications

The exclusion relating to **your** car being 'driven by, or in the charge of, someone not shown on **your Certificate of Motor Insurance**' does not apply (for the purposes of insurance for **you** only) if **your** car is:

- With a member of the motor trade for maintenance or repair

- **You've** reported the theft to the police within seven calendar days.
- **You've** given **us** a crime reference number and details of the police station that took the crime report. Having a crime reference number doesn't guarantee **we'll** settle a claim.

- The windows and sunroof were closed and secured if it was left unattended or unoccupied.
- Personal belongings were out of sight in the glove **box** or locked compartment.

- On a prepared course
- At any off-road event, such as a 4x4 event
- At an airfield

**6. Radioactivity**

**You're** not covered for any loss or damage to property or any other direct or indirect loss, expense or liability caused or contributed to by:

- The radioactive, toxic, explosive or other dangerous properties of nuclear equipment or its nuclear parts.

**7. War**

**You're** not covered for any loss, injury, damage or liability directly or indirectly caused by war, invasion, revolution, acts by foreign enemies, hostilities (whether war has been declared or not), military or usurped power.

**Your** car being designed or adapted for military or law enforcement use or used for military or law enforcement purposes or as an emergency service vehicle

**10. Terrorism**

**You're** not covered for any loss or damage caused by the use, or threatened use, of any action, force or violence by any person or group of people whether acting alone, or on behalf of any organisation or government which is committed for political, religious, ideological or similar purposes. This includes the intention to influence government or to intimidate and/or put in fear the public, or any section of the public, and includes any incident that the government or a UK court of law would class as an act of terrorism (including under the Terrorism Act 2000).

**11. Use on airfields**

**You're** not covered for any loss, injury, damage or liability while **your car** is in, or on, any part of an airport or airfield used:

- For take-off or landing of aircraft or the movement of aircraft on the ground
- As aircraft parking areas, including service roads and parking areas for ground equipment

**12. Pollution**

**You're** not covered for liability for death, injury, illness, damage or loss caused directly or indirectly by pollution or contamination unless the pollution or contamination is directly caused by a sudden, identifiable, unintended and unexpected event, which happens during the **policy**.

**We** won't provide cover for any deliberate release of substances or as a result of leaks from **your** car caused by inadequate maintenance.

**13. Deliberate acts**

**You're** not covered for any death, injury, illness, damage or loss arising from a deliberate act by **you** or anyone insured to drive **your car**.

General conditions (applicable to all sections)

You and anyone acting on **your** behalf must comply with every applicable requirement and provision of this **policy**. These also apply to any other person (or party) who is entitled to a benefit from this **policy**. It's **your** responsibility to make sure they're aware.

If anyone who is required to comply with provisions of this **policy** does not comply, **we** may reject a claim or reduce the amount payable for a claim if that causes any increase in **our** liability.

If **we** have paid any sums which **we** should not have been liable to pay (because of a breach of a **policy** provision), you'll have to reimburse **us**.

We'll make sure this condition doesn't conflict with provisions of the Insurance Act 2015 or the Consumer Insurance (Disclosure and Representations) Act 2012.

1. Making claims

If **you** need to make a claim under this **policy**:

**Your** app has a button on the dashboard that says, 'Had a crash'. This will put **you** straight through to **our** claims team so **you** don't have to search for the number.

**You** and any named driver can also call **our** claims helpline – as soon as possible and within 24 hours.

**You**, or any insured driver, must:

- Not admit liability for, or negotiate the settlement of, any claim unless **you** have **our** written permission.
- Not answer any writ, summons, letter, claim or other document from a **third party** relevant to **your** claim on this **policy**. Instead, send it to **us** immediately.
- Tell **us** immediately about any impending prosecution, inquest or fatal accident inquiry.
- Give **us** all the information and help **we** ask for, including any documentary evidence to back up **your** claim. All information **you** provide must be true and correct to the best of **your** knowledge.

**We** have the right to:

- Take over and conduct the defence or settlement of any claim

- Take any legal action in **your** name over any claim

These actions may be taken in **your** name or the name of any insured person.

2. Other insurance

**We** won't pay any claim if the loss, damage or liability is covered wholly or in part by another insurance **policy**.

This condition doesn't apply to section 4, about personal accident.

3. Caring for your car

**You**, or any person in charge of **your car**, must protect the car from damage or loss.

- Alarms, immobilisers and tracking devices must be on and working when **your car** is left unattended.
- **Your car** must be fully locked and secured, and any **keys** that unlock **your car** must be removed when it's left unattended or unoccupied.
- **You** should maintain **your car** in an efficient and roadworthy condition and have a valid Department of Transport Test Certificate (MOT) and vehicle road tax if needed by law.
- If the condition of the car causes or contributes to an incident, cover won't be provided under the **policy**. **Our** responsibility will be restricted to meeting obligations as required by road traffic law.
- **You** must give **us** access to examine **your car** and if asked send **us** evidence of a valid MOT and/or evidence **your car** was regularly maintained and kept in a good condition.
- **You** should take due care to ensure that any charging cables are positioned appropriately so as not to cause or risk danger to the general public.

4. Non-payment of premiums

**You** must make sure **your** monthly **mileage** charges are paid on time. If a payment isn't received by the date it's due, **we**ll write to **you** by email. If the agreed payment is not made in time, we'll give **you** at least five days' notice of cancellation by email, using the email address **we** have for **you**. The **policy** will end after the five days' notice runs out.

5. Car sharing

**You** can receive financial contributions from passengers as part of a car-sharing arrangement for social or similar purposes without breaking the rules about carrying passengers for hire or reward (like using it as a taxi) or the use of the car for hiring as long as:

- The car isn't constructed or adapted to carry more than seven passengers (excluding the driver)
- The passengers aren't being carried as part of a business of carrying passengers
- The total contributions **your** passengers give **you** for the journey don't amount to a profit

6. Keeping your policy up to date

**We** may be entitled to refuse the cover described in this **policy** unless **you** answered all questions truthfully to the best of **your** knowledge, when **you** applied for, amended or renewed this insurance. This includes questions about any other person covered by this insurance. **Your Policy schedule** and **Statement of insurance** show the answers **you've** given **us** and **you** can find these in **your** app. If any of the details are wrong, **you** must let **us** know right away.

**You're** responsible for keeping the details on this **policy** up to date. This includes information about the car, **you** and all the named drivers. Tell **us** if there are changes to the status of a driving licence of anyone named on **your policy**. This includes if they have passed their driving test or had their licence revoked.

At renewal, **you** must tell **us** if any of the information has changed, including any claims (whether **your** fault or not), convictions, **endorsements**, disqualifications and fixed penalties for **you** or any named drivers. **You** will need to tell **us** the DVLA or DVANI offence code if one applies.

Please also tell **us** if **you** move house, change **your** job, change **your mileage**, change **your car**, change what **you** use **your car** for or if **you** want to add other drivers. **We** also need to know if **you** intend to alter or modify **your car** from the manufacturer's standard specification, please see general condition 10.

Some changes may have an admin **fee** – see the **fees** section for details. Some changes to **your** circumstances can affect how **we** will assess the **policy** risk and may result in an extra **premium** being charged or in a reduction in **premium**.

7. Fraud

**You** must not act in a fraudulent manner. If **you**, or anyone acting for **you**:

- Knowingly provides information to **us** that is not true
- Mislead **us** in any way, including about who is the main user of the car, in order to get insurance from **us**, obtain more favourable terms or reduce **your premium**
- Make a claim under the **policy** knowing it to be false or fraudulently exaggerated in any respect
- Submit a document in support of a **policy** or claim knowing the document to be forged or false in any respect
- Make a claim for any loss or damage caused by **your** wilful act or with **your** knowledge

Then, depending on the circumstances:

- **We** may be entitled to refuse to pay the claim to which the alleged fraud or falsehood relates. **We** may also be entitled to cancel or void the **policy** without refunding **your premium**
- All other policies **you** have entered into through **us**, to which **you** are connected (including van insurance), may be cancelled and **we** will only give **you** a pro-rata refund
- **We** may inform the police of the circumstances of the claim

## 8. Victim of crime

**You** must report the circumstances of any claim **you** make as a result of **you** being a victim of crime to police within seven days of discovering the incident and fully cooperate with all resulting police enquiries and prosecution of offenders.

## 9. Documents we may ask for

It's a condition of **your policy** that **you** supply **us** with any information or **documents** that **we** may ask to see to support the details **you** gave when **you** applied for **your policy**. **You** can send **us** a clear scan or photo of any document in a chat through the Ticker app or to [validations@ticker.co.uk](mailto:validations@ticker.co.uk). For example: a V5C car registration certificate, driving licence (and MyLicence digital reference), a recent utility bill or a current MOT certificate.

**We** may give a discount on **your policy** dependent on the number of years of No Claims Discount (NCD) **you** state **you** have. **You** must provide proof of this when asked to do so. This should be in writing from **your** last insurer immediately prior to this **policy**. If **you** don't provide this proof, **we** may change **your premium**, costs or terms, or cancel **your policy**.

**Your** No Claims Discount must have been earned in the United Kingdom within the previous two years on a private car **policy**. It can't be applied to more than one car at a time.

## 10. Car modifications

This **policy** doesn't cover any non-standard parts (modifications). If **you** make a claim for loss or damage to **your car**, **we** will only pay the cost of replacing parts needed to meet the manufacturer's standard specification, including optional extras fitted by the manufacturer at the time of first registration. If **you** don't tell **us** about a modification, **we** may cancel **your policy** from its start date, apply additional **premium** or add new terms to **your policy**. If you make a claim **we** may reject the claim or only provide partial payment for it.

Car modifications include, but are not limited to:

- Changes to the bodywork
- Changes to suspension or brakes
- Cosmetic changes such as alloy wheels
- Anything affecting performance such as changes to the engine management system or exhaust system
- Changes to the audio/entertainment system

## 11. Voluntary use

Social, domestic and pleasure use includes use of **your car** for voluntary purposes. No payment or income should be received other than reasonable expenses to cover running costs such as fuel.

## 12. Where you live

**You** will only be provided with the cover set out in this **policy** if **you**, and any additional drivers on **your policy**, are permanent residents in Great Britain.

## Cancellations

This section talks about **your** rights to cancel **your policy** and explains **ours** as well. To cancel this **policy**, the **policyholder** should start a chat with **us** in the app or call **us**.

## Claims

**We** won't refund **your premium** at cancellation if **you**'ve had any claims where **you** were responsible for all or part of the incident, or **you** have any claims ongoing. **You** will also still have to pay any **mileage**-related charges.

## Your rights to cancel this policy

Only the **policyholder** can cancel their **policy**, and it's their responsibility to let any named drivers know that they're not insured anymore. When the **policy** is cancelled, cover ends.

The **policyholder** can cancel the **policy** at any time and **we** will give you a refund of **your premium** that **we** calculate from the date **you** tell **us** **you**'d like the **policy** to end.

## If you cancel before the policy has started:

**You** will be charged the setup fee for arranging **your** cover, but **you** will receive a full refund of **your premium** and there's no cost for the Ticker **mile tracker** if it hasn't been sent to **you**.

## If you cancel within 14 days of your policy starting:

The fee for **your policy** setup is non-refundable but there will be no cost for the Ticker **mile tracker** if it hasn't been sent to **you**. If it has, **you** have 10 days to return the **device** or there will be a fee. Please check the [Fees section](#) for details. A cancellation **fee** will apply.

## If you cancel after 14 days of your policy starting:

**You** will receive a refund of **your premium** minus any days **you**'ve been insured with **us**. The **fees** for **your policy** setup are non-refundable, unless the **device** hasn't been sent at the time of cancellation. If it has, **you** have 10 days to return the **device** or there will be a **fee**. A cancellation fee will apply.

**You** can find the list of **fees** on the [Fees page](#).

## Our rights to cancel your policy

**We** can cancel **your policy** at any time but **we** have to give **you** five days' warning. **We** do this with written notice to the email address **we** have for **you**, explaining why **we**'ve cancelled the **policy**. Any **fees** will still apply if **we** have to cancel **your policy**.

**We** can do this for, but are not limited to, one of the following reasons:

- **We** haven't been able to collect a payment – see general condition 4 for more information.
- **You** haven't let **us** have reasonable access to **your car** to provide the services **you** bought – like being able to assess damage after a claim.
- **You** don't cooperate with **us** as **we** manage **your policy**, process a claim or defend **our** interests.
- **We**'re stopped from providing cover to **you** under law or for another reason.
- **You** don't send **us** information or **documents** **we** need to manage **your policy**, process a claim or defend **our** interests.
- **You** don't maintain **your car** (for example, having tyres below the legal limit – see general condition 3), and have a valid MOT and vehicle road tax.
- **You** don't meet the rules about having the Ticker **mile tracker** and app, which **you** will find in the [Telematics terms and conditions section](#) (for example, **your mileage** exceeding what **you** declared or **you** drive dangerously).
- **Your car** is modified beyond the standard manufacturer spec in a way **we** won't accept. **You** can find more info about that in the general exceptions.
- **You**'re threatening, intimidating or abusive to someone who works at Ticker or with **our** partners.

In certain situations, **we** have the right to treat **your policy** as if it never existed, without giving **you** notice or refunding **your premium**. This will apply if **we** suspect **you**'ve deliberately not told **us** about something important – like a motoring conviction or something else that would have meant **us** originally refusing insurance if **we**'d known. **We** will decline any claims **you** made before or during **our** decision if this happens.

If **you**, or **we**, cancel the **policy** at any time, **we** will also cancel any optional extras (like breakdown cover) **you** bought. Check the **policy** wording for each of these extras for the full details. If **you** don't pay for the insurance yourself, **you** must make sure the person who paid has read this section.

## Connected insurance terms and conditions

### Telematics terms and conditions: your agreement with Ticker

This section is about **your** agreement with Ticker for:

- **Your** Ticker **mile tracker**, plus maintenance and other services
- Collecting **data** from **your** Ticker **mile tracker** to give **you** driving feedback in the app

These are all provided to **you** directly by Ticker (and not by the insurer), so '**we**' or '**us**' means Ticker.

- Please read these terms and conditions carefully before **you** take out an insurance **policy** through Ticker
- These terms and conditions will tell **you** who **we** are, how **we** will provide the Ticker **mile tracker** to **you**, how **you** and **we** may change or end the contract for the supply of the Ticker **mile tracker**, what to do if there is a problem and other important information
- If **you** think there is a mistake in these terms, please get in touch

#### About Ticker

Ticker uses the latest telematics technology to measure the **miles you** drive. **You**'ll see **your** journey costs and monthly bills in the Ticker app.

#### Supplying the Ticker mile tracker to you

When **you** agree to take out an insurance **policy** through Ticker, **we** will email to let **you** know that **we** have arranged insurance for **you** based on the information **you** have given **us**. At that time, the contract for the supply of the Ticker **mile tracker** will also come into existence.

**We** will assign **you** a **policy** number and will tell **you** what it is when the contract is formed. It will help **us** if **you** can tell **us** the **policy** number whenever **you** contact **us** about **your** mile tracker.

#### The Ticker app

The Ticker app is only available on iOS and Android devices. Right after **you**'ve bought **your** Ticker **policy**, **we**'ll email **you** (and any named drivers) a link to download the app. Once **you** have, **we**'ll email **you** again with a login link for the app – no password required.

If **you** don't download the app and log in within 24 hours of **your** **policy** starting, **we** may cancel **your** insurance. If **you** want to know more about how cancellation works, see the [Cancellations section](#) of **your** **policy**. Once **you**'ve plugged in **your** mile tracker, **you** (and any named drivers) should not remove the Ticker app from **your** phone, as this is how you'll see **your** journeys, monthly bills and **policy** documents. If **you** replace **your** phone, **you** need to download and log into the app on the new phone within 24 hours.

It's a condition of **your** **policy** that **you** use the Ticker **mile tracker** and app because they're a big part of how **your** insurance works. By buying the **policy**, **you** agree to never remove the **mile tracker** from the insured car during the **policy** – unless **you**'ve sold the car or a garage needs access to the OBD port.

#### Your Ticker mile tracker

**We** will deliver the Ticker **mile tracker** to **you** as soon as reasonably possible. The **mile tracker** is packaged in such a way that it will fit through **your** letterbox. It's **your** responsibility to make sure **you**'re able to receive the **mile tracker**. The **mile tracker** will be **your** responsibility from the time **we** deliver it to the address **you** gave **us**. **We** cannot be held responsible for delays outside of **our** control.

The **mile tracker** plugs in to **your** vehicle's OBD port – **we**'ll show **you** where **yours** is and give **you** instructions, but it's very easy and takes just a minute.

**You** need to plug in **your** mile tracker within seven days of **your** **policy** starting. If **you** don't, **we** may cancel **your** **policy**. **You** can check the details of **our** rights to cancel in the [Cancellation section](#) of **your** **policy**.

If **you**'re the **policyholder** but **you** don't own the car, **you**'re responsible for making sure anyone who has a legal interest in the car agrees to the installation of the **mile tracker**.

#### Dealing with faults and replacements

If **we** think **your** Ticker **mile tracker** has a defect while **you**'re insured, **we**'ll send **you** another one for free. If **you** think something's wrong, start a chat with **us** in **your** Ticker app and **we**'ll investigate. If it needs repairing or replacing because of a defect, **we**'ll cover

any cost – unless the fault or damage is caused by **you** or someone **you**’ve allowed access to **your car** (like a mechanic) or anyone other than Ticker or a Ticker representative.

If **you** tamper or interfere with the Ticker **mile tracker** (including deliberately preventing it from working), **we** may:

- Charge **you** the amount in the Ticker **mile tracker** costs part of the [Fees section](#).
- Cancel your **policy**.

If **the car** is deemed a **total loss** after a claim or the Ticker **mile tracker** is damaged in an incident involving a claim under **your policy**, **we** won’t charge **you** for a new **Ticker mile tracker**.

While **you**’re insured, **we** may replace the **mile tracker** with an alternative that has the same functionality or better. This will only happen if **we** make a technical change or improvement to the **mile tracker**. In such a scenario, **you** will not be charged for the new **mile tracker**.

#### Tampering

The Ticker **mile tracker** and app both have anti-tampering technology built in, so **we** know if a **mile tracker** has been removed. If **we** do think that’s happened, **we**’ll investigate. If **we** have to, **we**’ll ask **you** for a photo of **your** odometer reading to compare with MOT records.

If **we** conclude that **you** have tampered or interfered with the Ticker **mile tracker** (including deliberately preventing it from working), **we** may charge **you** the amount in the Ticker **mile tracker** costs part of the **Fees** section or cancel **your policy**.

After a crash, **we**’ll investigate if there’s **mileage data** for the time the incident happened. If **we** think the **mile tracker** has been tampered with, misused or was not in the vehicle at the time of the accident, **you** may be charged an additional **excess** of £500 on top of **your** standard **policy excess**.

#### Accuracy of policy details

**We**’ll use the **data** from **your** Ticker **mile tracker** to check the information **you** gave **us** in **your** proposal is right. That includes **your** annual **mileage**, where **your car** is kept overnight and the type of driving **you**’re doing. If **we** think something’s wrong or **you** need to update **your** details, **we**’ll let **you** know, but it’s **your** responsibility to make sure **your** details are correct and up to date.

If **we** detect serious issues with the information **you** gave **us**, **we**’ll get in touch to talk about it but **we** may void (treat it as if it never existed) or cancel the **policy**.

#### Changing your car

This insurance is only for the car detailed in **your** **Policy schedule** document. If **you** change **your car**, **you** need to tell **us** immediately.

If **you** change **your** car, **you**’ll need to move **your** Ticker **mile tracker** into **your** new car within 24 hours. If **we** need to send **you** a new **mile tracker**, **you** must plug it in to **your** new car within seven days of changing the car. For a new **mile tracker**, **we**’ll charge **you** a fee, which **you** can find in the [Fees section](#). If **you** don’t move **your mile tracker** in the time **we**’ve said, **we** may cancel **your policy**. Check the [Cancellation section](#) for more info.

#### Replacing a Ticker mile tracker

If **you** lose **your** Ticker **mile tracker**, **we**’ll charge a fee for a new **mile tracker**, which **you** can find in the [Fees section](#).

#### Your data

**Your** **mile tracker** collects **data** on **your** vehicle’s location and movement. **We** use this **data** to determine how many **miles** the car has driven and in the event of a crash.

**You** can find more detail about how **we** use **your** data in **our** [privacy policy](#).

#### If the policy is cancelled or it lapses

If **you** (or **we**) cancel **your policy** or it lapses at renewal, **your** **mile tracker** will stop collecting driving **data** within seven days of the **policy** ending. **You** can uninstall the Ticker app.

#### Changing your mind

As noted elsewhere in this contract, the provision of **your** insurance under the **policy** requires **you** to have a Ticker **mile tracker** installed in **your** car. As such, if **you** change **your** mind about the Ticker **mile tracker**, the insurer will also cancel **your policy**. If **you** do change **your** mind about having a **mile tracker policy**, **you** have 10 days to return the **device**, or there will be a fee. Please check the [Fees section](#) for details.

#### Ending the contract with Ticker

The contract for the provision of the Ticker **mile tracker** is separate from the contract under which **you** purchased **your policy** – it is known as an ancillary contract. As such, if **you** decide to end the contract for the supply of **your** Ticker **mile tracker**, **your policy** will also terminate.

**You** may terminate the contract for **your** Ticker **mile tracker**:

- If, within 30 days after receiving it, **you** notice that the Ticker **mile tracker** is faulty or misdescribed – though please contact **us** in the first instance, as **we** can send **you** out a new Ticker **mile tracker** if this occurs
- **We** have told **you** about an upcoming change to the Ticker **mile tracker** or this contract which **you** do not agree to
- **We** have told **you** about an error in the price or description of the Ticker **mile tracker** and **you** do not wish to proceed
- **You** have a legal right to end the contract because of something **we** have done wrong
- Or **you** change **your** mind

#### Returning the Ticker mile tracker

If **you** end the contract for any reason after the Ticker **mile tracker** has been posted to **you**, or after **you** received it, **you** must return it to **us** by post. If **you** are exercising **your** right to change **your** mind **you** must make sure **we** receive **your** **mile tracker** back within 10 days. **You** can return it for free by post, with the address 'Freepost Ticker'.

#### Your legal rights

**We** are under a legal duty to supply products that are in conformity with this contract. See below for a summary of **your** key legal rights in relation to the Ticker **mile tracker**. Nothing in these terms will affect **your** legal rights. The Consumer Rights Act 2015 says goods must be as described, fit for purpose and of satisfactory quality. During the expected lifespan of the Ticker **mile tracker** **your** legal rights entitle **you** to the following:

- Up to 30 days: if the Ticker **mile tracker** is faulty, then **you** can get a new **mile tracker** or full refund if canceling **your** insurance contract
- Up to six months: if the Ticker **mile tracker** can’t be repaired or replaced, then **we** will send a new **mile tracker**
- Up to six years: If the Ticker **mile tracker** does not last a reasonable length of time **you** may be entitled to some money back, though the expected lifespan of a Ticker **mile tracker** is at least one year

#### Our responsibility for loss or damage suffered by you

**We** are responsible to **you** for foreseeable loss and damage caused by **us**. If **we** fail to comply with these terms, **we** are responsible for loss or damage **you** suffer that is a foreseeable result of **our** breaking this contract or **our** failing to use reasonable care and skill, but **we** are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both **we** and **you** knew it might happen, for example, if **you** discussed it with **us** during the sales process.

**We** do not exclude or limit in any way **our** liability to **you** where it would be unlawful to do so. This includes liability for death or personal injury caused by **our** negligence or the negligence of **our** employees, agents or subcontractors; for fraud or fraudulent misrepresentation; or for breach of **your** legal rights in relation to the Ticker **mile tracker**. **We** are not liable for business losses. **We** only supply Ticker **mile trackers** for domestic and private use. If **you** use **your** Ticker **mile tracker** for any commercial, business or re-sale purpose **we** will have no liability to **you** for any loss of profit, loss of business, business interruption, or loss of business opportunity.

#### Other important legal terms

**We** may transfer **our** rights and obligations under these terms to another organisation. **We** will contact **you** to let **you** know if **we** plan to do this. If **you** are unhappy with the transfer, **you** may contact **us** to end the contract within 21 days of **us** telling **you** about it and **we** will refund **you** any payments **you** have made in advance.

**You** may only transfer **your** rights or **your** obligations under these terms to another person if **we** agree to this in writing.

- Nobody else has any rights under this contract.

- Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.
- If **we** do not insist immediately that **you** do anything **you** are required to do under these terms, or if **we** delay in taking steps against **you** in respect of **your** breaking this contract, that will not mean that **you** do not have to do those things and it will not prevent **us** taking steps against **you** at a later date. These terms are governed by English law and **you** can bring legal proceedings in respect of the products in the English courts.
- This is the end of **your** agreement with Ticker about telematics terms.

# Your policy administration

## Your policy administration agreement with Ticker

This is **your** contract for how **we**’ll administer **your** insurance **policy**. This contract is separate from **your** insurance **policy** and **your** contract with **us** for the use of the Ticker **mile tracker**, so any charges **you** might pay for administration are in addition.

All administration services are provided to **you** directly by Ticker (and not by the insurer), so '**we**' or '**us**' means Ticker.

Services **we** will provide:

- **We**’ll set up **your** insurance **policy** for **you**. This won’t include any advice or recommendations by **us** in relation to **your policy**.
- After **your policy** starts and throughout **your policy**, **we**’ll provide and update all **your** insurance **documents** in the Ticker app and help with any queries about **your policy**.
- **We**’ll make any changes **you** need to **your policy**, including but not limited to, changing **your car** or adding a named driver. If **you** or the insurer cancel the **policy**, **we**’ll organise this and any refund **you**’re due.

## Payments and refunds

- The total price of **your** insurance is shown in **your documents** and includes Insurance **Premium** Tax (IPT).
- The **fees** payable under the Telematic terms and conditions; and
- The **fees** payable for the services **we** provide to **you** under the terms of **your policy** administration agreement.

Legally, **we** have to tell **you** that in future, other taxes or costs may apply that are not paid through or imposed by **us**. **We**’re not aware of any other taxes or costs right now.

In line with industry standards, **we** use a **third party** to collect and store debit/credit card details. **We**’ll use the card details stored to collect payment for mid-term changes, missed payments (including the associated **fee**), balances following cancellation, and renewal of **your** policy. **We**’ll let **you** know before doing this.

If **we** receive an overpayment, **we**’ll refund it using the debit/credit card details **we** hold. If **you** receive an overpayment, **we**’ll attempt to recover the money using the debit/credit card stored. If **you** initially pay by debit/credit card **we**’ll make any refund to the same card, in accordance with the terms and conditions of the card issuer.

If someone else pays for **your** insurance, **you** must show this information to them.

## Renewals

### Coming up to renewal time

At renewal time, think back over the previous 12 months and let **us** know if anything has changed for **you** or any named driver.

Changes **we** need to know about include, but are not limited to:

- All circumstances listed in this section.
- If **you** or any named driver have been involved in any accidents, claims or losses not previously notified to **us**, whether or not a claim was made and regardless of blame. This includes all types of claims, damages or accidents such as fire, theft or glass damage (windscreen or window).
- Any prosecutions or motoring convictions that **you**, or any named drivers, are aware of.
- Any fixed penalty notices or licence **endorsements** incurred during the year.
- Any medical or physical condition or disability that **you** or any insured drivers need to tell the DVLA/DVANI about, including any **you** haven’t told them about yet.
- Any non-motoring convictions that **you** and any named drivers have that are not considered spent. A spent conviction is one that, under the terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. If, however, someone has received a prison sentence of more than four years, the conviction will never be spent.

If **you** don’t tell **us** about changes and take reasonable care to ensure that the information **you** supply is honest, full and correct **we** may cancel **your policy** from the start date, apply additional **premium**, reject **your** claim or only pay part of it. **You** may also have to pay for the cost of any **third-party** claim/s.

If **you** provide false or inaccurate information, and **we** identify that **you**’ve committed fraud, **we** may pass **your** details to relevant agencies to prevent fraud and money laundering. Please email [riskquality@ticker.co.uk](mailto:riskquality@ticker.co.uk) if **you**’d like further details on how the fraud prevention agencies may use this information.

Renewing your policy

At least 21 days before **your policy** ends, **we**’ll send **you** a renewal notice reminder that the insurance cover is due to expire. In most cases, this notice will include an offer to renew **your** insurance for another year. To help **you** make an informed decision, any offer made will include important facts about **your policy**, any changes to the **policy** terms and a price.

The renewal terms offered will be based on the most recent information **you**’ve given **us**. These will be shown in **your** renewal invitation. Check **your** details carefully and let **us** know right away if anything’s changed.

In a small number of cases, **we** may not renew **your policy**. If this happens, **we**’ll let **you** know as soon as possible.

If **you** want to accept a renewal offer, **you** must take reasonable care to ensure that **your** information contained in the **policy** is correct and up to date for **your car**. See the previous section about contacting **our** customer services team if anything has changed.

Each renewal of the **policy** represents a new contract of insurance, starting on the date shown on **your** renewal schedule.

After renewal

**You**’ll enter into a new contract of insurance with **us** starting on the cover start date on **your** renewal **documents**.

**You** have the right to cancel this **policy** at any time. Cancellation **fees** will apply.

Who can speak to us about your policy

To make managing **your** insurance easier, **we**’re happy to talk to **your** spouse or **partner**, as long as they’re named on the **policy**. **We** can talk to them about payment, changes or renewals. If **you**’d like to be the only person **we**’ll talk to about **your policy**, or choose someone else (like another named driver, friend or other family member), let **us** know by chat, email or call.

	Outstanding payments	Changes to your policy	Renewal	Cancellation
Policyholder	Yes	Yes	Yes	Yes
Spouse/partner/nominated person	Yes	Yes	Yes	No
Direct debit payers	Yes	Yes	Yes	No

Our responsibility for loss or damage suffered by you

**We** are responsible to **you** for foreseeable loss and damage caused by **us**. If **we** fail to comply with these terms, **we** are responsible for loss or damage **you** suffer that is a foreseeable result of **our** breaking this contract or **our** failing to use reasonable care and skill, but **we** are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both **we** and **you** knew it might happen, for example, if **you** discussed it with **us** during the sales process.

**We** do not exclude or limit in any way **our** liability to **you** where it would be unlawful to do so. This includes liability for death or personal injury caused by **our** negligence or the negligence of **our** employees, agents or subcontractors; for fraud or fraudulent misrepresentation.

Other important legal terms

**We** may transfer **our** rights and obligations under these terms to another organisation. **We** will contact **you** to let **you** know if **we** plan to do this. If **you** are unhappy with the transfer, **you** may contact **us** to end the contract within 21 days of **us** telling **you** about it and **we** will refund **you** any payments **you** have made in advance.

- **You** may only transfer **your** rights or **your** obligations under these terms to another person if **we** agree to this in writing.
- Nobody else has any rights under this contract.
- Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.
- If **we** do not insist immediately that **you** do anything **you** are required to do under these terms, or if **we** delay in taking steps against **you** in respect of **your** breaking this contract, that will not mean that **you** do not have to do those things and it will not prevent **us** taking steps against **you** at a later date.
- These terms are governed by English law and **you** can bring legal proceedings in respect of the products in the English courts.

This is the end of **your** contract with Ticker for **policy** administration services.
